

ARVIA MONITOR LIFT WITH MICROPHONE

Elevate Your Meetings – Sleek, Smart, Seamless
Model: ARV-LM2

Key Features

FHD Lamination Panel

Provides high brightness and clear images with reduced reflection and light loss.

Anti-Pinch Mechanism

Automatically stops when obstacles are detected to protect circuit boards and motors.

Motorized System

Provides automatic movement system with just a single click button with motorized engine.

Ultra-Narrow Borders

Enhances viewing experience while conference with a wider angle and vibrant color output.

Mirroring Devices

Share your screen across multiple devices for seamless presentations.

Paperless Conference Made Easy

The Arvia Monitor Lift raises and hides the screen automatically, saving space and keeping your setup clean. Paired with Paperless Software, it enables eco-friendly, print-free meetings—ideal for modern conference rooms.

Corporate Boardroom

Elevate your corporate meetings with the Arvia Monitor Lift, providing seamless presentations and efficient screen management for a professional and polished boardroom experience.

Parliament Halls

Enhance legislative sessions with the Arvia Monitor Lift, ensuring clear, high-quality displays for crucial discussions and debates, while maintaining a safe and durable setup.

University Halls

Upgrade educational experiences with the Arvia Monitor Lift, offering bright, clear visuals for lectures and presentations, making learning more engaging and interactive.

Conference Center

Transform your conference center with the Arvia Monitor Lift, delivering sleek and efficient display management for various events, ensuring every presentation is clear and impactful.

Revolutionize Your Conference Room

Designed for modern conference rooms, providing a sleek and efficient way to manage display needs. Featuring the lift mechanism is damage-proof and anti-pinch, automatically stopping if obstacles are detected, protecting the circuit boards and motors. Manual operation allows easy screen angle adjustment, enhancing flexibility and safety.
