

Arvia Smart Podium

ARV-SP43

All-In-One Smart Presentation Stand

Key Features

Interactive Touch Display

Easily control slides, write annotations, and interact directly on the touchscreen.

Integrated Audio & Microphone

Built-in mic and speakers deliver clear, professional sound without extra equipment.

Wide Connectivity

Supports HDMI, USB, Type-C, WiFi, and Bluetooth for seamless device connection.

Equipped with Signage Display

Deliver clear, dynamic content with vibrant visuals for any space.

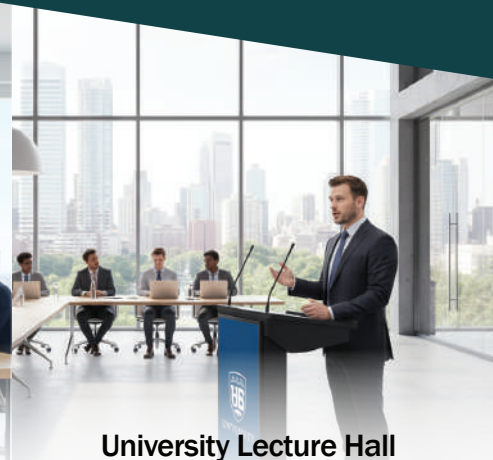

Mobility & Premium Design

Portable with lockable wheels, sleek design, and hidden cable management.

Corporate Conference & Seminar

During a business seminar, the presenter connects their laptop wirelessly to the podium, controls the slides via touch, and engages the audience with interactive notes, without needing extra AV setup.

University Lecture Hall

A lecturer uses the Smart Podium to display lecture slides, annotate key points on the touchscreen, and project everything to a large screen. The built-in mic ensures students at the back hear clearly.

Government or Official Ceremony

In a formal event, the Smart Podium provides a modern for VIP speeches. The adjustable height and premium design give a professional look while ensuring comfort for every speaker.

School or Training Workshop

Teachers and trainers use the Smart Podium touchscreen and annotation tools for interactive lessons. The mobility feature allows it to be moved easily between classrooms or training rooms.

Display Parameters

Screen size	43 inch
Focusing mode	Capacitive touch, ≤10 touch points
Display Area	476.64(W) × 268.11(H) mm (Main) 698.4(W)×392.85(H) mm (Secondary) 940.896(W)×529.254(H) mm (Secondary)
Resolution	1920×1080P (Main) (Secondary)
Response Time	Fast response
Glass	3mm toughened glass, anti-scratch

Physical & Electrical

Dimensions	See dimensional drawings
Input Voltage	AC 110–220V
Operating Environment	Temp -20 Degrees ~ 60 Degrees / Humidity 10%RH ~ 90%RH
Storage Environment	Temp -10 Degrees ~ 55 Degrees / Humidity 10%RH ~ 90%RH

Electrical Performance

CPU	Intel i5, 3rd Generation
RAM	DDR3 8GB
Storage (SSD)	mSATA 256GB
System	Windows 10 Professional Beta
Network Communication	Supports Wired LAN + Wi-Fi
Main Interfaces	USB × 2, RJ45 Network Port, XLR Port, HDMI Output
Audio Output	Integrated amplifier (2×8Ω / 10W speakers)
Microphone	Wired gooseneck microphone
Work Light	Gooseneck work light
Body Color Options:	Black / White
